

Benchmarks of Success for Maryland's Workforce System
Data and Dashboard Committee
February 14, 10:00-11:30am
Virtual Meeting

Agenda

I. Welcome and Meeting Overview

II. Transition Updates

III. Membership Updates

- Committee discussed if new members should be added into the Committee roster.
- Was determined that the Committee is open to new members but would wait until Administration leadership was fully in place to determine which partners should be added.

IV. SNAP E&T Integration

- Follow-up meeting with FIA representative to determine what data needs can be incorporated into the Committees Work

V. Data Follow-up

- Chairperson Doug Weimer walked through the data sheet that would be submitted to the WIOA Alignment Group
- Committee noted questions/concerns, such as duplications, consistent methodologies, etc. that should be brought up at the next WIOA Alignment Group meeting

VI. WDQI Research Questions

- Committee Member provided an update on the WDQI grant progress, deliverables, etc.
- Committee members were tasked with coming up with research questions for the project by March 3

VII. WIOA Alignment Group Questions/Updates

- No questions or updates from the WIOA Alignment Group

VIII. Other Committee Member Updates

- No updates from any Committee members
