

FREE EDUCATIONAL PROGRAMS

Employers and employees across Maryland can utilize Maryland Occupational Safety and Health's (MOSH) free educational program. Our programs are designed to reduce occupational injuries and illnesses by creating awareness about workplace safety issues. Participants can enroll in half-day, full-day and two-day seminars at no cost. Seminars on this schedule are offered at the following locations:

1. MOSH, Hunt Valley
2. Chesapeake Community College, Wye Mills
3. Columbia Workforce Center, Columbia
4. Frederick County Public Safety, Frederick
5. Harford Community College, Bel Air
6. Laurel Regional Workforce Center, Laurel
7. Wheaton WorkSource Montgomery, Wheaton

HOW TO REGISTER

Register by mail, fax, or online. Send the form on the reverse page to:

Maryland Occupational Safety and Health
Outreach Training and Education
10946 Golden West Drive, Suite 160
Hunt Valley, MD 21031
Phone: (410) 527-2091 / Fax: (410) 527- 4490

<http://labor.maryland.gov/labor/mosh/train.shtml>

Information about program content is available on the MOSH website at:
<http://labor.maryland.gov/labor/mosh/>

You will be registered for any requested seminar unless specifically notified otherwise. In the event you are unable to attend, please contact MOSH.

Directions will be provided by email or fax one week prior to the seminar date.

For additional information call MOSH at:
(410) 527-2091 or (410) 527-2092

FREE CONSULTATION PROGRAMS

Safety Pays

MOSH Consultation Services can help create a safer and healthier workplace and improve the bottom line. Our experienced safety and health professionals will survey a workplace free of charge and show you how to correct hazards to avoid any potential injuries.

1. Avoid fines and get an abatement period instead of a citation
2. Reduce preventable accidents and injuries
3. Reduce workers' compensation premiums
4. Decrease employee absence and turnover rates
5. Improve your bid for contract jobs by demonstrating initiative to improve your safety record

HOW TO REQUEST A CONSULTATION

How Does It Work?

Contact MOSH Consultation
MOSH Consultation Services
10946 Golden West Drive, Suite 190
Hunt Valley, MD 21031
Phone: (410) 527- 4472
Email: mosh.consultation@maryland.gov
or visit us online at:
<http://labor.maryland.gov/labor/mosh/volc.shtml>

Receive an On-Site Survey
Experienced professional consultants will meet with you to conduct an initial survey.

Discuss Survey Results
Once the survey is complete, our MOSH consultant will go over every identified hazard with you. Your only obligation is to remedy identified hazards from the survey in an agreed upon time frame.

Keep It Confidential
All results of the survey are confidential and stay between you and the consultant.

Attendance at these sessions DOES NOT substitute for training required by OSHA/MOSH standards and regulations. These free seminars provide an overview of the specific topic and how to comply with applicable OSHA/MOSH standards. Note: Class, date and locations are subject to change. We will notify you as soon as possible if a change occurs. Employers with twenty or more registrants please contact us for additional information. * Continuing Education Units (CEU's) will be given from certain colleges.

Use a separate form for each person registering.
** Please print all information legibly
