

DEPARTMENT OF LABOR

RECRUITMENT

The Arc Baltimore

The Arc Baltimore is looking for passionate and compassionate people to join our staff and provide life-changing supports to individuals with intellectual and developmental disabilities. The individuals we support are more active in the community than ever before. They're living in Baltimore's neighborhoods; they're going to work and paying their bills. They're living and thriving in the community.

If you're ready to help empower some amazing people, then we're ready to empower you, challenge you, and work with you! We have multiple open positions at **The Arc Baltimore**.

We encourage qualified applicants to apply for any of the openings listed on our website. During the phone screening process, we will try to match a position that works best with your schedule and location preference.
