

Employers and employees across Maryland can utilize Maryland Occupational Safety and Health's (MOSH) free educational program. Our educational program is designed to reduce occupational injuries and illnesses through education. Participants can enroll in half-day and full-day training seminars at **no cost**. These free seminars provide an overview of the specific topic and how to comply with applicable OSHA/MOSH standards. Attendance at these sessions does not substitute for training required by OSHA/MOSH standards.

Seminars in this schedule are offered at the following locations:

- **MOSH Laurel Training Center**, Laurel
- **ABC Cumberland Chapter**, Hagerstown
- **Chesapeake College**, Wye Mills
- **Harford Community College**, Bel Air
- **MFRI**, College Park
- **SHA**, Frederick
- **SHA**, Hagerstown
- **SHA**, Salisbury

**Register by mail, by fax, or online.
