

If you are looking for a job in Capital Transit Transportation and Transportation Construction, then the information below may be of interest to you.

Organization providing the training:

Construction Trades Workforce Initiative (CTWI)

Physical location training occurs:

Prince George's County and Baltimore

- LiUNA 710: 3200 Wilkens Avenue, Baltimore, MD
- Insulators Local 5: 9602 Martin Luther King Jr Hwy, Lanham, MD 20706

Description of the training offered:

Raising the Bar is a six-week, in-person MC3 pre-apprenticeship program offered four times annually - twice in Baltimore and twice in Prince George's County. Participants gain hands-on experience and earn three industry-recognized certifications: the MC3 Certificate, OSHA 10, and First Aid/CPR/AED.

The curriculum covers key topics essential to career readiness in the union construction industry, including construction math, basic blueprint reading, green construction practices, and equal employment opportunity principles.

Trainees have the opportunity to earn the following industry-recognized certifications:

- MC3 Certificate
- OSHA 10
- First Aid, CPR, and AED

Am I eligible?

You are eligible for the program if you:

- Are 18 years or older
- Possess a Valid Driver's License
- Have passed a drug test
- Are willing to sit for a math test
- Are willing to interview for enrollment

What is the application process?

Fill out the [Google form](#) to attend an info session

- At the info session, sign up to take the math test
- After the math test, you will take a drug test
- You will be invited for an interview once drug test results have been reviewed

How much can I expect to earn if I complete this program and obtain employment?

Participants in the program may receive wages ranging from \$20-\$23/hour.

Where can I find more information about this program?
