A. As stated in Regulation .02B of this chapter, the Model Performance Code is not binding on any subdivision of the State unless specifically adopted by it. A copy of the law, ordinance, or resolution adopting the Model Code shall be sent by the governing body of the adopting subdivision to the Secretary. Copies of all subsequent laws, ordinances, or resolutions pertaining to the Model Code shall similarly be sent by the governing body to the Secretary.

B. After adoption by a subdivision, alteration or modification of the Model Code is prohibited without prior concurrence of the Secretary.

C. The Department will regularly consult with local officials to review the application and effectiveness of the Model Code in each adopting subdivision.

D. Requests for Changes.

(1) Requests for changes, modifications, or exceptions to make the Model Code more effective and useful in any subdivision shall be submitted in writing by certified mail, return receipt requested, to the Secretary by the appropriate authority in the subdivision, together with the reasons for the request.

In that case, the Director of the Building Codes Administration may, in the Director’s discretion, decline to review the question of interpretation or application and remand the question to the subdivision, because the question is of insufficient importance or can be resolved more readily at a local level, or for other reasons. The action is not reviewable.

(3) When a building appeals procedure is not provided by the subdivision.

C. An aggrieved person requesting review by the Department of an application or interpretation of the Model Code shall do so in writing, addressed to the Director of the Building Codes Administration in the Department, together with a full statement of the circumstances and the reasons for challenge.

D. The Director of the Building Codes Administration will normally refer the question of interpretation or application to ICC or NFPA, as the case may be, for answer by their respective interpretation services. The Director is not required to refer the question to ICC or NFPA. The Director shall notify the parties of the referral.

E. Within 10 days from the receipt by the Director of the Building Codes Administration of the request for review, or within 10 days from receipt by the Director of an answer from ICC or NFPA when the question has been referred, the Director shall notify the parties of the Director’s decision, with a statement of the reasons for it, including a copy of any communication from ICC or NFPA.
