MEETING STATISTICS - 2024

Commission Meetings

In 2024, the Commission met to conduct business on eleven (11) occasions.

Highlights

REVENUE:

$ 2,275,805 was collected by the State in 2024. This amount represents an increase from the amount of revenue collected in 2023.

ATTENDANCE:

Attendance at Maryland tracks was 212,489 in 2024. Since attendance is not kept for patronage at Satellite Simulcast Betting Facilities and at remote tracks, recorded attendance alone is not a good measure of activity.

Rosecroft & Ocean Downs do not keep a record of attendance.

Legislation

In the state's final budget session of the year, the state zeroed out the funding of the Maryland Thoroughbred Racetrack Operating Authority (MTROA) and had it sunset on July 1, 2025. Oversight shifted from the MTROA to the Maryland Stadium Authority to development Pimlico Race Course and a new training center at Shamrock Farm.

Additionally, in the budget provisions, the state allowed the Maryland Thoroughbred Horsemen's Association (MTHA) to divert 3% instead of 2% from the lottery-funded purse account for administrative overhead costs.

MARYLAND-BRED FUND REPORT

MARYLAND-BRED FUND DISTRIBUTION IS EXPLAINED

The Maryland-Bred Fund was created by the General Assembly in 1962. Maryland was the first state to develop a legislated incentive program to encourage the improvement of Thoroughbred breeding and racing. Since that time, more than 30 other states have instituted incentive programs of one kind or another.

In Maryland, there are six categories through which monies from the Fund are made available:

1) **purse money** for stakes races for registered Maryland-breds,

2) **awards for owners** of registered Maryland-breds finishing first, second or third

3) **awards for breeders** of registered Maryland-breds finishing first, second or third,

4) **awards for the owners of stallions** which are duly registered with the Maryland Horse Breeders Association (MHBA),

5) **yearling show bonus awards for** the four highest-earning 2 and 3-year-olds shown at the annual MHBA yearling show (based on North American earnings), and

6) **Maryland-sired allocation** for purses and awards for horses conceived in Maryland by a registered/nominated Maryland Stallion.

The Maryland-Bred Fund receives slightly less than 1 percent of the total mutual handle and breakage from Laurel and Pimlico (the State's two mile tracks), and receives approximately 1.5 percent of the mutual handle and 5.0 percent of the breakage at Timonium (the State's half mile track).

In 2024, revenue for the Maryland-Bred Fund totaled nearly $9.2 million. After eligible deductions, a portion of this money is allocated to purses. The remaining percentage is distributed in the form of breeder awards and stallion awards. In 2024, nearly $698,000 was paid in stakes purses/premium awards and $6.1 million was disbursed as breeder and stallion awards.

In 2024, breeder and stallion awards were paid for the registered Maryland-bred who finished first through third in any race in Maryland. The breeder awards remained at

22.5% and the stallion bonuses were 7.5% of the winner's share for all races except Maryland Million Day, where bonus percentages were 15% breeder and 5% stallion. Thirty percent breeder bonuses went to horses placing 1st in a Maiden race if sired by a Maryland sire. In stakes races, the award is based on the first $100,000 of the gross purse. The Maryland-bred stakes program is typically planned on a meet-by-meet basis and is based on projected revenues for the coming year.

The Maryland-Bred Fund program is administered by the Maryland Racing Commission with the assistance and advice of the Maryland-Bred Fund Advisory Committee chaired by Terry West, a member of the Maryland Racing Commission. Other members of the Maryland Fund Advisory Committee are Georganne Hale (Representing the mile tracks), A. Ferris Allen (Representing the half-mile track), Katharine Voss (Representing the Maryland Thoroughbred Horsemen's Association) and Kent Murray and William K. Boniface (Representing the MHBA).

Under the direction of the Commission, the actual implementation of the fund, including maintaining the Maryland-bred registry and computing and distributing all bonus awards, is performed by the MHBA for which it receives up to 10 percent of the total receipts of the Fund, subject to the approval of the Maryland Racing Commission.

Breeder and stallion award percentages are determined on a bi-annual basis on the advice of the Maryland Fund Advisory Committee. Owner award percentages are determined by a separate agreement. (For Maryland Million Day, breeder and stallion award percentages are determined annually). Awards are distributed as soon as is practical. The quality of Maryland-breds has improved since the Maryland-Bred Fund was initiated over 60 years ago and the program is evaluated bi-annually to ensure the most effective use of the money.
